WS-6 Light Grey	WS-7 Cement Grey	WS-8 Coral Sand	WS-9 Deset Sand	WS-10 Beige

The colours shown in this colour chart are intended as guides only. It is advisable to view the actual samples to confirm the colour intended to be used prior to installation. Colours imprinted at site may vary slightly from colour samples submitted due to variation in concrete base colour, wet weather condition, variation in trowelling techniques, long lapse of working period, different batches of colour hardener used and so on.
